

National Honor Society Student Handbook

Sebeka Public School Chapter
National Honor Society

Welcome

Congratulations! You have been selected to become a member of a prestigious and elite group of students across the country. In 1921, the National Honor Society was founded to recognize and develop achievement in scholarship, leadership, character, and service. It is a privilege to work with a group of students who strive to make a positive difference in their school and community. You are an individual who recognizes the opportunities, risks, and rewards in the world around you. During your next year at Sebeka High School we look forward to collaborating toward making significant contributions to our school and community. This is your year to continue being our most vibrant leaders and role models.

Memberships in National Honor Society are recognized by students, teachers, parents, communities, colleges, and universities as an indicator of a student's dedication to making a positive difference for individuals and their community. National HONor Society members are committed to the pursuit of exemplary scholarship, leadership, character, and service. This reputation for excellence is the result of years of fulfilling these expectations.

Read carefully through the Student Handbook. The handbook contains details and procedures related to the expectations that members need to fulfill to maintain active status in National Honor Society and any privileges it confers.

After reading through this handbook, if you feel you are unable to dedicate yourself to the willingness to make the serious commitment of time and energy required to be a productive and positive member of the Sebeka School Chapter of National Honor Society please notify the chapter adviser, Mrs. Polman to have your name removed from this year's National Honor Society induction list.

Discipline and Dismissal Procedures

Discipline

It is the responsibility of the chapter advisor to periodically review the standing of members for compliance with Society standards. When a member falls below the standards by which the member was selected, the advisor should inform the errant member in writing of the nature of the violation, the time period given for improvement, and provide a warning of possible consequences for failure to improve. The advisor will also meet personally with the member to discuss the situation and develop a plan for improvement.

Discipline measures other than dismissal from NHS are the purview of the chapter advisor. The goal of disciplinary measures should be to reeducate the student to more appropriate behavior.

(National Honor Society Constitution, Article VI, section 3)

(National Honor Society Handbook 15th edition, page 58)

Dismissal

Members who fall below the standards which were the basis for their selection shall be warned in writing by the chapter advisor and given a reasonable amount of time to correct the deficiency, except in the case of a flagrant violation of school rules or civil laws, in which case a member does not necessarily have to be warned.

The Faculty Council will determine the dismissal of a member after providing written notice to a member and conducting a pre-dismissal of a member after providing written notice to a member and conducting a pre-dismissal hearing. The presence of five members of the Faculty Council constitutes a quorum. A simple majority vote of the Faculty Council is necessary to dismiss a member.

Procedures

- ❑ A member will receive a written notice from the chapter advisor of the violation of the chapter standards, the possibility of dismissal, and the scheduling of the pre-dismissal hearing.

Pre-Dismissal Hearing

- ❑ NHS Members are encouraged to attend the hearing, but attendance is not mandatory. Parent(s)/guardian(s) of the member may be present with the member. However, it should be noted that the primary focus of the hearing is to allow the member to present his or her case.

Discipline and Dismissal Procedures (cont.)

Pre-Dismissal Hearing (cont.)

- ❑ Members are encouraged to present information and explain their behavior verbally or in writing during the hearing. Members who are not present may submit written information for consideration by the Faculty Council during the hearing.
- ❑ The rules for the hearing will be designed to facilitate consideration of the facts and the rules of evidence will serve as guidelines, but not be strictly enforced.
- ❑ After the Faculty Council collects information from the parties at the hearing, individuals who are not members of the Faculty Council will leave the room. The faculty Council will determine the appropriate disciplinary action for the member, up to and including dismissal from the chapter, by a majority vote.
- ❑ Members, parent(s)/guardian(s) and the principal will be informed in writing of the decision of the Faculty Council. As a common courtesy, the chapter advisor is expected to verbally inform the member or their parent(s)/guardian(s) of the Faculty Council's decision verbally prior to receiving the written notice.
- ❑ Members who have been dismissed from the National Honor Society must surrender their NHS emblem and membership card to the chapter advisor. Failure to do so will be treated as a school discipline issue.
- ❑ Members who have been dismissed from the National Honor Society will never again be eligible for membership status or benefits.

Discipline and Dismissal Procedures (cont.)

Resignation: Students choose to leave the NHS without being dismissed by the Faculty Council.

- ❑ Resignation from the honor society requires a written statement signed by the member and his or her parent(s)/guardian(s).

- ❑ Students can not be “forced” to resign from the society for this will be interpreted as a dismissal without due process.

- ❑ Members who have resigned from the National Honor Society will never again be eligible for membership status or benefits.

NHS Community Service Hours Guidelines.

All Juniors inducted into NHS will be expected to complete 30 hours of community service by the Monday of graduation week.

Seniors inducted will be expected to complete 15 hours of community service by the Monday of graduation week.

What does not count? – some examples

- These are VOLUNTEER hours – so if you get paid, it does not count (obviously).
- doing something for a relative
- Fundraising for another organization – such as working in the concession stand for GBB.
- Activities that take place during a normal worship service – ushering, choir, playing music, etc.

What does count? – some examples

- All activities sponsored by NHS.
- Volunteering to help any community organization.
- Volunteering at elementary athletic activities – only when NOT required by a coach
- Doing extra activities at a church – teaching Sunday School, spring cleaning - anything that goes above and beyond regular church service.

Limitations

5 hours per year is the limit for any one type of activity. For example – if you teach Sunday School, you can only count 5 hours for that service. If you work all day at a tournament – only 5 hours can be counted. The reason for this is you need a variety of service hours – not just all from one or two situations. The only exception to this is activities sponsored by NHS.

Keep track of your hours!

I will keep track of hours spent doing NHS activities, but you are responsible for telling me about any other volunteer hours. There is a sheet for this or just talk to me. If you have any questions about whether an activity counts as volunteer hours, please just ask. This is especially important over the summer when it is easy to forget to keep track of volunteer hours!

Scholarship

The Red Cross donates a scholarship after we have our Blood Drive. The person who receives this will be the one with the most volunteer hours. This is to encourage all to keep volunteering after your 30 hours have been completed. Service hours should be a part of your ‘character’ – not just a means to stay in NHS. It is one of the most important aspects of being a part of an NHS Chapter!
